‘The instructors were knowledgeable and excellent in teaching the information. Overall an amazing experience both for learning and meeting delegates from across the world’

‘Thank you so much for this amazing opportunity feeling very fortunate to have had this chance to learn more and be inspired by research. Looking forward to bringing it back to my workplace.’

‘It was a fantastic opportunity. A lot of information but completed in a respectful and supportive way, Thank you.’

- Work further with industry sponsor around participation
- Visa- time lines
- Promotion of the workshop- we want to generate more interest, make it more global? Identify key ISPAD members across countries that could be approached for communicating , possibly people who have previously attended.
- Clear timeline, we would be happy to develop this.
- Streamline data and information sharing. Eg drop box
- Input into social program and catering
- Post workshop report from participants ? 1 year and 2 years
