

# Curriculum Vitae

**Date Prepared:** October 22, 2024  
**Name:** Rebecca Ortiz La Banca Barber  
**Address:** 4650 Sunset Blvd. MS #182, Los Angeles, CA 90027  
**Email:** rbarber@chla.usc.edu

## Education

2010	B.S.	Nursing	Federal University of Sao Paulo, Brazil
2014	M.S.	Nursing	Federal University of Sao Paulo, Brazil
2019	PhD	Nursing	University of Sao Paulo, Brazil

## Postdoctoral Training

2019 – 2022	Post-Doctoral Fellow	Pediatric Research	Joslin Diabetes Center, Boston USA
-------------	----------------------	--------------------	---------------------------------------

## Professional Positions

2024 Mar-	Adjunct Research Professor of Pediatrics (Voluntary)	Keck School of Medicine	University of Southern California, Los Angeles USA
2021 Sep-	Nurse Scientist	Institute for Nursing and Interprofessional Research	Children's Hospital Los Angeles, Los Angeles USA
2019-2021	Research Fellow	Section on Clinical, Behavioral and Outcomes Research	Joslin Diabetes Center, Harvard Medical School, Boston USA
2018-2019	Visiting Research Student (Pre-doctoral fellow)	Section on Clinical, Behavioral and Outcomes Research	Joslin Diabetes Center, Harvard Medical School, Boston USA
2015-2018	Nurse Consultant	PROADI PICU and NICUs Initiative	Samaritano Hospital, Brazil
2013-2015	Nurse Coordinator	Pediatric Surgery Ward	Sao Paulo Hospital, Brazil
2011-2013	Registered Nurse	Pediatric Surgery Ward	Sao Paulo Hospital, Brazil

## Committee Service

2024	Science School for Healthcare Professionals, Lisbon – Faculty/Co-convenor	International Society for Pediatric and Adolescent Diabetes (ISPAD)
------	---------------------------------------------------------------------------	---------------------------------------------------------------------

---

2024	Science School for Physicians, Pittsburgh - JENIOUS mentor	International Society for Pediatric and Adolescent Diabetes (ISPAD)
2024	JENIOUS Ambassador	International Society for Pediatric and Adolescent Diabetes (ISPAD)
2024-	ADCES Research Committee	Association of Diabetes Care and Education Specialists (ADCES)
2023-2024	Membership Advisory Group	American Diabetes Association (ADA)
2023	Science School for Healthcare Professionals, Rotterdam – Faculty/Co-convener	International Society for Pediatric and Adolescent Diabetes (ISPAD)
2022-	Institutional Review Board	CHLA
2020-2021	Continuing Education & Accreditation Committee - CE reviewer	American Association of Diabetes Educators (AADE)

### **Professional Societies**

2022-	Pediatric Endocrinology Nursing Society	Member
2021-	National Pediatric Nurse Scientist Collaborative	Member
2019-	International Society of Pediatric and Adolescence Diabetes (ISPAD)	Member
2018-	American Diabetes Association (ADA)	Member
2014-	Association of Diabetes Care and Education Specialists (ADCES)	Member
2014-2017	Brazilian Diabetes Society (SBD)	Member
2012-2017	Brazilian Society of Pediatric Nursing	Member

### **Editorial Activities**

#### ***Associate Editor***

1. Revista Texto & Contexto Enfermagem (Brazil)

#### ***Ad hoc Reviewer***

1. Diabetic Medicine
2. Journal of Clinical Nursing
3. Journal of Pediatric Nursing
4. Journal of Advanced Nursing

### **Honors and Prizes**

2010	Best Research Paper in Public Health / Pediatric Nursing	Federal University of Sao Paulo, Brazil	Academic achievement
------	----------------------------------------------------------	-----------------------------------------	----------------------

## Report of Funded and Unfunded Projects

### Funding Information

#### Current

2024-2025	Southern California Center for Latino Health (SCCLH) Pilot Grant - \$70,000
2023-2025	Health Care Professional Research Career Development Award (HP-RCDA) The Saban Research Institute. Children's Hospital Los Angeles, CA, USA - \$60,000
2023-2024	International Society of Pediatric and Adolescent Diabetes (ISPAD) and Juvenile Diabetes Foundation (JDRF) Research Fellowship - \$25,000

#### Past

2020-2022	Mary Iaccoca Research Fellowship. Title: Impact of Macronutrient Intake & Exercise on Glycemia: Implications for Automated Insulin Delivery Iaccoca Family Foundation Research Fellow
2019-2020	Diabetes Research Center – Pilot and Feasibility Grant. Title: Can technology improve self-care in youth with type-1 diabetes? NIH/NIDDK 5P30DK036836-32 Research Fellow
2018-2019	Pre-Doctoral Fellowship (Sandwich Program) CAPES Foundation, Brazil
2016-2018	Doctorate in Nursing CAPES Foundation, Brazil
2012-2014	Master in Nursing CAPES Foundation, Brazil
2008-2010	Institutional Scientific Initiation Scholarship Program (PIBIC) National Council for Scientific and Technological Development (CNPq), Brazil Nursing undergraduate student

## Report of Local Teaching and Training

### Teaching of Students in Courses

2024 -	Professional Development Hub for PhD students and Postdoctoral Fellows	CHLA/TSRI 8 hours per cohort
2023 -	Nursing Postdoctoral Fellowship	CHLA 24 hours per month
2021 -	Research Grantees & Evidence-Based Fellowship Interdisciplinary clinicians	CHLA 10 hours per month
2014-2021	Graduate course in Pediatric and Neonatal Nursing Professor Graduate nursing students	<i>Faculdades Metropolitanas Unidas, Brazil</i> 6 months per year
2011-2018	Academic League in Pediatric Diabetes Education	Federal University of Sao Paulo, Brazil

Preceptor/Tutor  
Undergraduate nursing students

8 hours per month

### **Other Mentored Trainees and Faculty**

- 2024 CAPES Sandwich Program (Brazil)  
Career stage: PhD candidate (Milena de Lucca)  
Mentoring role: International research supervisor  
6 months (May-November) full time
- 2011-2020 Federal University of Sao Paulo  
Career stage: Undergraduate Bachelor in Nursing students.  
Mentoring role: Co-advisor.  
4 hours per month
- 2011-2018 NR-ADJ-UNIFESP Summer Camp for Youth with Diabetes  
*Career stage:* Undergraduate Nursing students, Registered Nurses. *Mentoring role:*  
Supervisor.  
1 week per year

## **Report of National and International Invited Teaching and Presentations**

### **Invited Presentations and Courses**

*No presentations below were sponsored by outside entities.*

*Those presentations below sponsored by outside entities are so noted and the sponsor(s) is (are) identified.*

#### **Local**

- 2023 Who wants to be an investigator? Advanced Practice Providers Grand Rounds, Children's Hospital Los Angeles, Los Angeles, CA.
- 2020 Improving Pediatric Diabetes Outcomes: Optimizing Conventional and Advanced Therapeutic Modalities. Tuesday Lecture Series, Joslin Diabetes Center, Boston MA.

#### **National**

- 2017 The importance of nursing team on diabetes treatment / Pre-conference course 22nd Brazilian Multidisciplinary Congress in Diabetes, Sao Paulo, Brazil
- 2015 The Therapeutic Play Research Group in Nursing / Invited talk XX Brazilian Diabetes Society Congress, Porto Alegre, Brazil

#### **International**

- 2020 Play-based strategies in pediatric health care / Invited talk Brazilian Health Ministry - IFF/FioCruz (online)
- 2020 Therapeutic Play and the diabetes camp: experiences of a pediatric nursing intervention / Invited Talk at the "Play, Therapeutic Play and Nursing" symposium Federal University of Sao Paulo, Sao Paulo, Brazil (online)
- 2020 Pediatric Diabetes - Research and Clinical Practice / Invited talk

Federal University of Santa Maria, Palmeira das Missoes, Brazil (online)

2019 Nursing process on diabetes education; 2. Play-based strategies for diabetes education / Invited talks  
XXII Brazilian Diabetes Society Congress, Natal, Brazil

## **Report of Clinical Activities and Innovations**

### **Current Licensure and Certification**

2023 Basic Life Support - American Heart Association  
ZL20618

2022 Registered Nurse – Massachusetts Board of Nursing  
RN2348434

2022 Registered Nurse – California Board of Nursing  
95307701

2023 Certified Pediatric Nurse – Pediatric Nursing Certification Board  
202338805

### **Clinical Practice Activities**

2015 - 2017	Nurse Consultant	Pediatric and Neonatal Intensive Care Units	Development of action plans, patient safety goals. Hands-on training on intravenous therapy, and infection control policies.
2013 – 2015	Nurse Coordinator	Pediatric Surgery Ward and Pediatric Day-Hospital unit – São Paulo Hospital, Brazil	Patient Care Coordination and Team Lead (30 beds)
2011 – 2013	Registered Nurse	Pediatric Surgery Ward – Sao Paulo Hospital, Brazil	Patient Care (25 beds)

## **Report of Scholarship**
